**Workplace Safety Webinar Series**  
**Thursday, October 19, 2023 – 11:00 am to 12:00 pm**  
**[Click Here to Register](#)**

Do you have an OSHA-compliant fire prevention and emergency action plan in place? Learn how to create a fire prevention plan that keeps your employees and property safe. Our expert speakers will cover key topics such as identifying potential fire hazards, implementing safety measures and emergency response planning.

Don't miss this opportunity to ensure that your workplace is prepared for any fire-related incidents.

In this webinar, we will discuss:

- What fire hazards to look for during an audit.
- Common causes of fires.
- OSHA 1910.39 and OSHA 1910.38
- What not to do during a fire.

Join us to learn about preventing and reacting to fires in the workplace from your OECS workplace safety experts!
