

WORKPLACE SAFETY EXPERTS

—
Your 1-Stop Total Safety Solutions Provider

**Safety Pays &
Safety Saves Lives**

TRUST THE OECS ADVANTAGE

OSHA + Environmental Compliance Systems (OECS) provides customized workplace safety services to small and mid-sized manufacturing and construction firms.

For almost 30 years, OECS has helped create safe work environments for thousands of employees throughout the Midwest. We go beyond compliance, helping you build a strong safety culture that keeps employees returning home safe!

Proven Process with You in Control

Customized Programs and Trainings

Accessible 24/7/365

Field-tested Safety Experts

SERVICES THAT MEET YOUR NEEDS

Protect your business and employees with critical service offerings that include:

- Safety Assessments
- Customized Compliance Programs
- Onsite Safety Training
- Virtual Training "On Demand"
- Workplace Health and Safety Audits
- OSHA Assistance
- Industrial Hygiene
- Environmental Services
- Accident Investigations

"With the assistance of OECS, our employees have become more safety conscience than ever before. They give us a safety presentation each month along with the assistance we need anytime. We are a manufacturing company that has had years with ZERO recordable incidents! I believe OECS has assisted us in this great achievement."

John Friend, Human Resources Manager,
PS Industries, Inc. / Grand Forks, ND

THE BUSINESS CASE FOR SAFETY

Safety = Profitability

OSHA says an effective safety program saves \$4-\$6 for every \$1 invested!

OSHA Regulators

We work closely with you to be at your best and help mitigate any fines.

Recruiting Top Talent

Safety is a factor in picking a job. When you invest in safety, you attract top talent.

Retaining Employees

Safety is an integral part of a healthy culture that builds loyalty and improves productivity.

Your Customers

Confidently address their concerns regarding safety, regulatory, and sustainability expectations.

Workers Comp

A documented, thorough plan reduces risk so you can get the best rates.

OUR PROVEN PROCESS

Rely on a field-tested process that supports your team in delivering strong safety results!

“Our construction team has had the pleasure of working with OECS for the last 5 years. From assisting with new sections of our safety manual to site safety audits to crisis management training, they have been our safety partner. They are professional, adept and experienced, and they provide our team with an additional level of knowledge that we have come to respect.”

Paul Kolas, Sr. Vice President of Construction Excellence,
Doran Companies / Bloomington, MN
