

MNOSHA Safety Grants

Workplace Safety Webinar Series

Thursday, April 18, 2024

11:00 am to 12:00 pm

[Click Here to Register](#)

Do you have a safety improvement project you'd like to implement? The MN Department of Labor & Industry offers a safety grant program that provides financial support for projects aimed at reducing the risk of employee injuries or illnesses.

Join us as we discuss the safety grant program and how it can propel your safety improvement project forward. We'll review the grant process and share insights on maximizing your chances of approval for a safety grant.

In this webinar, we will:

- Explain the safety grant program.
- Define who can apply.
- Review the process of how to apply.
- Discuss “what you need to know” before you apply.
- Review available funding.
- Discuss examples of the types of projects that have been approved for grant funds.

Join us for this FREE, informative webinar to learn about this grant opportunity!

WHO

This event is for business owners, presidents, safety/HR personnel, plant management, construction superintendents, project managers and foremen

THE SPEAKERS:

Julie Thatcher

Julie joined the OECS team in 2023 as a Field Safety Associate specializing in general industry for the Twin Cities Region, serving clients in Southern Minnesota. She brings more than 20 years of experience as an environmental health and safety professional, with extensive risk management experience in the manufacturing, construction and retail/wholesale industries.

Dave Ferkul, CIH, CSP

Dave Ferkul is an Industrial Hygienist for the Northern Minnesota and Wisconsin Region. Dave leads IH and Environmental Services for OECS. Most of his 35 years of experience was with MNOSHA Workplace Safety Consultation, holding multiple consultant positions servicing the public sector, general industry and construction.
